Revolutionize Your Food Business with dipEAT: Dine & Takeaway Services

Greetings!!

We hope this proposal finds you well. As a startup recognized by the Government of India, we are excited to introduce our innovative platform, dipEAT, which aims to revolutionize the way your restaurant interacts with customers for dine-in and takeaway.

Who We Are:

At dipEAT, our mission is to seamlessly connect restaurants with consumers, providing a hassle-free dine-in and takeaway experience for both. We specialize in pre-booking services for dine-in and take-away orders through our user-friendly app. Our startup is committed to empowering restaurants like yours to reach customers in their homes or offices, resulting in a significant increase in online food orders for dine-in and takeaway.

Currently, the average waiting time for food orders is 15-25 minutes. With our cutting-edge technology, we bring this waiting time down to almost zero minute. Our unique approach allows customers to pre-book orders through our app, ensuring that their food is ready as soon as they step into your restaurant. This not only enhances customer satisfaction but also streamlines your restaurant's operations.

Our Solution:

- **Online Orders**
 - Receive dine-in or takeaway orders online from our app platform.
 - Orders with online payments.
 - Specially designed app for restaurant to receive orders.

- **QR Orders**
 - Customers can place orders using the QR scanner we provide.
 - Orders with online payments.
 - Keep records of all online orders placed on our platform.

Benefits for Your Restaurant & Customers:

- **Zero Waiting Time for customers**
 - Minimize waiting time to zero minute, enhancing overall customer experience.
- **Expand Customer Reach with online-orders**
 - Receive orders from customers at home, office, or college.
- **Go Digital with QR based orders**
 - Digitize your restaurant operations with our QR-based system.
- **Payment-First Orders**
 - Ensure clarity and avoid confusion by receiving payments with orders.
- **Data Analytics**
 - Gain insightful analysis of sales data, product performance & income.
- **Online order history**
 - Access comprehensive records of present and past orders.
- **Online Menu**
 - Showcase your menu on our platform, making it easy ordering.
